

MONSIGNOR TULIO MANUEL CHIRIVELLA VARELA  
ARCHBISHOP EMERITUS OF BARQUISIMETO

La Asunción, May 21, 2014  
Nueva Esparta State. Margarita Island  
Venezuela

Excellency:

Receive fraternal greeting of peace and goodness in the name of Our Lord Jesus Crist.

I would like to tell you, through this letter, that I know Thomas Smith since many years ago, and I have participated with him in his Healing Services and Soaking Prayer.

Thomas has been coming to Venezuela for ten years and his behavior has been impeccable. He is very appreciated in our Archdioceses of Barquisimeto, as the rest of the country.

In his Healing Services, through his hands, Jesus Our Lord has healed thousands of faithful, leaving His merciful grace in each heart. Many people have been healed. Many, sorry for their sins, had been asked for His forgiveness and have come back to the house of the Eternal Father, the Church.

The doors of this beautiful country, Venezuela, are open for him so he can continue his prayer services on the faithful in the Church of Our Lord Jesus Crist for the Glory of God the Father.

Affectionate in Christ  
Monsignor Tulio Manuel Chirivella Valera  
Bishop Emeritus of the Archdioceses of Barquisimeto  
Lara Estate, Venezuela
